

Why join Growthpoint?

We are passionate about our employees feeling engaged and motivated in their work. Every person employed by Growthpoint is hired both on their professional credentials and their fit within our high-performing and inclusive culture.

We value your personal qualities and aspirations as part of our team and how that adds value to Growthpoint. We will work with you to ensure you grow and keep learning as you evolve your professional journey.

Take the opportunity to extend yourself and make your mark by becoming part of our team.

Benefits of joining our team

Developing potential

As a member of our small team, you will have the opportunity to work closely with senior managers and the executive management team and learn about the business outside of your core expertise
